

CITY OF PROVIDENCE

Please note: The statute has recently been clarified with regards to obtaining a Private Detective license. The City of Providence does not require individuals to possess a Private Detective License unless their principal business is located within the city limits. Private Detectives must be licensed in the city/town or state where their principal business is located. This will not prohibit individuals from operating within the city limits.

To apply for a Private Detective License you must submit a \$5000 bond along with 2 1"x1" photos, 2 Professional reference letters and a check or money order for \$150. You must also contact the Board of licenses at 401-421-7740 extension: 208 to set a date to appear before the Board.

If you have any questions, please feel free to contact this office.

Yours truly,

Serena Conley
License Administrator
