

GRAFFITI VANDALISM IS A CRIME!

Graffiti is a public nuisance and destructive of the rights and values of property owners as well as the entire community. Unless action is taken to remove graffiti from public and private property, the graffiti remains. Other properties then become the target of graffiti, and entire neighborhoods are affected and become less desirable places in which to be, all to the detriment of the neighborhood.

The City of Providence, as an amendment of Chapter 16, "Offenses and Miscellaneous Provisions," Articles I and IV of the Code of Ordinances Regarding Graffiti and Rewards, is enacting this program to prevent graffiti and its spread from public and private property, and to reward those whose public-spirited actions result in the apprehension of violators and offenders. And by doing so, provide enforcement tools to protect properties from acts of graffiti vandalism and defacement.

GRAFFITI REWARD PROGRAM (SEC 16-5)

Members of the public are eligible for up to a five hundred dollar (\$500.00) award for any information leading to the detection, apprehension, and conviction of any offender, or offenders who maliciously destroy or deface public or private property. Information can be provided regarding graffiti vandalism to the Graffiti Task Force at 1-800-TAGGERS. Rewards will be paid after a certificate of final conviction has been received by the city controller from the justice or clerk of the court before which the offender(s) were tried.

WHAT IS GRAFFITI?

(a) "Graffiti" means any unauthorized inscription, word, figure, painting or other defacement that is written, marked, etched, scratched, sprayed, drawn, painted, or engraved on or otherwise affixed to any surface of public or private property by any graffiti implement, to the extent that the graffiti was not authorized in advance by the owner or occupant of the property, or, despite advance authorization, is otherwise deemed a public nuisance.

(b) "Graffiti Implement" means an aerosol paint container, a broad-tipped marker, gum label, paint stick or graffiti stick, etching equipment, brush or any other device capable of scarring or leaving a visible mark on any natural or manmade surface.

We abate graffiti vandalism in the following ways:
