

THE MUSEUM OF NATURAL HISTORY AND PLANETARIUM IN
ROGER WILLIAMS PARK IS PLEASED TO PRESENT:

Drawing from the Collections

A Course in Observational Sketching

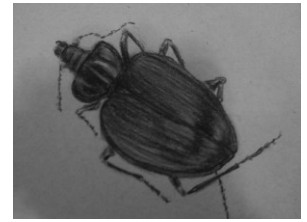

Adults of all skill levels are welcome to participate. Classes are offered three Saturdays a month from 10:00am to 12:00pm October - March. Explore fundamental drawing techniques in a unique setting, utilizing objects from the Museum's vast collections. This focus of this drawing class is on learning to look. Each month will have a theme, with related specimens. Special requests must be made prior to the start of the first class of the month.

Dates and Themes:

October: 3, 17, 24: "Migratory Birds of New England": Discover the wonder and beauty of some of the local migratory birds from New England as you explore their diversity.

November: 14, 21, 28: "Wild! New England": From bobcats to turkeys, insects and more, explore some of the wildlife that can be found roaming New England fields and forests.

December: 5, 12, 19: "Winter Wonderland": Discover some of the creatures that love it when it's cold outside! Explore some of the unique adaptations that make cold weather survival possible.
